

## Sensory and/ or physical needs – Universal provision for all learners

- Staff are aware of needs/impairment/disability/medication or emergency treatment or procedures – *Medical folder in each classroom*
- Whole staff training for emergency treatment e.g, EpiPen use
- Appropriately trained staff e.g., Paediatric first aider, First aider at work
- Administration of medicines procedures e.g., Consent forms filled in by parents
- Bathroom management facilities
- Accessible grounds and building e.g., slopes as alternative to stairs and a lift
- Risk assessments completed as appropriate e.g., off-site visits
- Staff training for medical needs i.e. Asthma/ anaphylactic
