

Can you take us around Europe? KNOWLEDGE ORGANISER

Where in the world is Europe
and what is it like?

Where is France?

**Contour lines
of France**

How do
these change
as move to-
wards the

Grid references of Paris

Can you use the map and
your locational language to
find key tourist destina-
tions?

Substantive Knowledge:

- Understand similarities and differences through the study of human and physical geography of a region of the UK (Shropshire) and a region in a European country (France).
- Use maps, atlases, globes and computer mapping (google Earth) to locate countries and describe features.
- Use the 8 points of a compass, 4- and 6- figure grid references, symbols and key (including OS maps) to build up knowledge of the UK and the wider world (fieldwork).

Physical features of France:

Mountains, forests, coastal areas,
key cities, rivers, lakes.

The 7 main mountain
ranges of France

Gare du Nord: Where can
we travel to in France?

Planning a trip to
France

Key Vocabulary:

North-East, South-East, North-West,
South-West, grid references, northings,
eastings, latitude (Tropic of Cancer and
Capricorn)

Use locational language to
navigate a map of France.
